Overview	2
Methodology	2
II. Demographics	4
Number and Percentage of Females	
By Age Group	5
By Race	5
By MCO	5
By CSA	7
III. Births	8
Number of Births	
By MCO	9
By CSA	9
Birth Rate	
Comparison of TennCare and non-TennCare Populations	10
By MCO	10
By CSA	12
Adolescent Birth Rate	
Comparison of TennCare and non-TennCare Populations	12
By MCO	12
By CSA	14
C-section Births	
Comparison of TennCare and non-TennCare Populations	14
By MCO	14
By CSA	15
Birth Interval	
Comparison of TennCare and non-TennCare Populations	16
By MCO	17
By CSA	17
IV. Entry into Prenatal Care and Birth Outcomes	19
Comparison of TennCare and non-TennCare Populations	23
Infant Mortality	24
Infant Case Fatality	26
Entry into Prenatal Care	27
Low Weight Births	28
Pre-term Deliveries	28

Section	Page
IV. Entry into Prenatal Care and Birth Outcomes (cont.)	
Comparison across MCOs and CSAs	36
Infant Case Fatality	37
Entry into Prenatal Care	43
Low Weight Births	49
Pre-term Deliveries	54
V. Presumptive Eligibility	79
Number of Presumptive Eligibles	80
Number of Delivering Presumptive Eligibles	80
VI. Utilization Data	82
Primary Care Visits	84
Primary Care Services	85
Other Physician Visits	86
Other Physician Services	87
